

SUZUKI MIDLAND TO NORTHAM VIA O'BRIEN ROAD RIDE

Starting at Midland heading up through Toodyay Road, turn left onto O'Brien Road and follow as it winds onto Clinton Road. Turn right onto Berry Road before heading left back onto Toodyay Road, then right at Northam Toodyay Road to the festival.

Another option for this ride is turn right at Clackline Toodyay Road through Clackline Town onto Spencers Brook Road to Northam.

COMMENT

- O'Brien Road is probably one of the best winding roads in WA, and has been made even more famous as the road that legend Peter Brock had his fatal accident on.
